EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Early Years Foundation Stage (Learning and Development Requirements) Order 2007 ([S.I. 2007/1772](#)) (“the Learning and Development Order”), the Childcare (Early Years Register) Regulations 2008 ([S.I. 2008/974](#)) (“the Early Years Register Regulations”), the Childcare (General Childcare Register) Regulations 2008 ([S.I. 2008/975](#)) (“the General Childcare Register Regulations”) and the Early Years Foundation Stage (Welfare Requirements) Regulations 2012 ([S.I. 2012/938](#)) (“the Welfare Regulations”).

Regulation 2 amends the Learning and Development Order to give effect to revised versions dated 13th July 2026 of the documents entitled the “Early Years Foundation Stage Statutory Framework for Childminders” and the “Early Years Foundation Stage Statutory Framework for Group and School-Based Providers” published by the Secretary of State on the gov.uk website (the “EYFS statutory frameworks”). Sections 1 and 2 of the EYFS statutory frameworks contain learning and development requirements, which early years providers are required to comply with by virtue of the Learning and Development Order. No changes are made to the learning and development requirements in sections 1 and 2 of the EYFS statutory frameworks, but the documents have changed in consequence of changes to the welfare requirements.

Regulation 3 amends the Early Years Register Regulations to introduce a new registration requirement for early years childminders and for other early years providers that no banned dog breed (meaning a type of dog to which section 1 (dogs bred for fighting) of the Dangerous Dogs Act 1991 ([c. 65](#)) applies) is kept or present at the relevant premises. Relevant premises means premises from which childcare is provided.

Regulation 4 amends the General Childcare Register Regulations to introduce a new registration requirement and requirement governing the activities of later years childcare providers and voluntarily registered childcare providers that no banned dog breed is kept or present at the relevant premises, except for home child-carers (i.e. nannies). Nannies must not take banned dog breeds to the relevant premises and must take reasonably practicable steps to ensure that no banned dog breed is present at the relevant premises when childcare is being provided. Regulation 4(9)(b) also changes the requirement for later years providers and voluntarily registered providers to notify the Chief Inspector or their childminder agency of allegations of ‘serious harm’ to ‘harm’, in respect of harm to or abuse of a child caused by any person on relevant premises caused by any person, or other than on the relevant premises caused by any person who cares for or is in regular contact with the children on premises other than relevant premises.

Regulation 5(2) amends the Welfare Regulations to give effect to revised versions dated 13th July 2026 of the EYFS statutory frameworks. Section 3 of the EYFS statutory frameworks contains welfare requirements, which early years providers are required to comply with by virtue of the Welfare Regulations. The changes to the welfare requirements in section 3 of the EYFS statutory frameworks include clarifying the safe sleep requirements for early years providers.

Regulation 5(3)(b) gives effect to a revised version dated 13th July 2026 of the “Qualifications Document”, which is the document entitled “Early years qualification requirements and standards” published by the Secretary of State on the gov.uk website. This document specifies qualifications and training requirements to be met by early years providers (other than early years childminders) who are required by section 40 to comply with the Early Years Foundation Stage Statutory Framework for Group and School-Based Providers. These changes are made to clarify the requirement to have a Level 2 English qualification in order to be counted in staff:child ratios at Level 3.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Regulation 5(5)(a) changes the requirement for early years providers to notify the Chief Inspector or their childminder agency of allegations of ‘serious harm’ to ‘harm’, in respect of harm to or abuse of a child caused by any person living, working or caring for children at the relevant premises, and any other abuse which is alleged to have taken place on those premises, and of the action taken in respect of the allegation.

Regulation 5(5)(b) amends the Schedule to the Welfare Regulations to provide that the requirement to notify the Chief Inspector or a childminder agency of certain changes in relation to persons of 16 years or older living or working on domestic premises applies to providers of early years ‘childcare on domestic premises’. This requirement already applies to childminders working on domestic premises and is being extended to providers of ‘childcare on domestic premises’, who are excluded from the definition of childminding by section 96(5) (meaning of early years and later years provision etc.) of the Childcare Act 2006 (c. 21). Childcare on domestic premises is early years provision in respect of which a person is required to be registered by section 34(1A) (requirement to register: other early years providers) of the Childcare Act 2006, which is early years provision, at least some or all of which is on domestic premises, provided for reward, where at any time the number of persons providing or assisting with the provision exceeds four (or exceeds three if a person was registered, or had applied to be registered, to provide early years childcare on domestic premises before 1 November 2024).

The EYFS statutory frameworks are available on the gov.uk website at this link: <https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>.
