- (4) The "psychological or emotional abuse" by one person (A) of another (B) includes conduct—
- (a) which is characterised by a deliberate and systematic pattern of controlling or manipulative behaviour by A towards B, and
 - (b) which involves an attempt by A to frighten, control or isolate B by, for example—

- (5) The "spiritual abuse" by one person (A) of another (B) is a form of psychological or emotional abuse which is carried out by A in a religious context and which has the effect of—

- (6) The "neglect and maltreatment" by one person (A) of another (B) is conduct—

 - (b) which takes place when B is present in a children's home or residential school managed by the Church of England.
- (7) The "financial abuse" by one person (A) of another (B) is limited to conduct by A towards B which—

 - (b) provides a direct financial benefit to A or another person.

Application for redress: procedure

- 3.—**(1) An application for redress under section 3 of the Measure—
- (a) may be made in writing, or
 - (b) may be made orally by means of such facility for making the application by telephone as the redress body arranges to provide.
- (2) An application made in writing—

(2) [2003 c. 42](#).

- (a) must be verified by a statement of truth made by the applicant, and
- (b) must be submitted—
 - (i) by means of the online facility provided by the redress body, or
 - (ii) if that facility is not available or the applicant is unable to use it, by such other means as the redress body may permit.
- (3) An application made orally—
 - (a) must be verified by a statement of truth made by the applicant, with the statement to be submitted in accordance with [paragraph \(2\)\(b\)](#), and
 - (b) must be recorded in writing by the person who provides the facility referred to in [paragraph \(1\)\(b\)](#).
- (4) The application must be accompanied by—
 - (a) evidence of the applicant’s identity (including, if the applicant’s name has changed since the abuse took place, evidence of the change of name sufficient to satisfy the redress body), and
 - (b) evidence of the applicant’s postal address.
- (5) The application may be accompanied by any other material, in any form, which the applicant considers relevant to the application.
- (6) The application is to be regarded as being made on the day on which it is received by the redress body.
- (7) An application made orally—
 - (a) is to be treated for the purposes of [paragraph \(4\)](#) as being accompanied by the evidence required by [that paragraph](#) as soon as that evidence is provided to the redress body in the manner specified in [paragraph \(2\)\(b\)](#), and
 - (b) is to be treated for the purposes of [paragraph \(6\)](#) as received by the redress body on the day on which the statement of truth required by [paragraph \(3\)\(a\)](#) and the evidence required by [paragraph \(4\)](#) are provided to the redress body.
- (8) Where the application is made for a person who lacks capacity to make it by a person who has authority to do so for that person under the [Mental Capacity Act 2005\(3\)](#), the application must be accompanied by evidence of the authority.

Application for redress: final date

4. The date specified under [section 9\(3\)](#) of [the Measure](#) as the final date for which an application for redress under [section 3](#) of [the Measure](#) may be made is the first day of the final nine months of the period determined under [section 9\(2\)](#) of [the Measure](#).

Application for redress: exceptions to entitlement

5.—(1) An application for redress under [section 3](#) of [the Measure](#) may not (subject to [paragraph \(3\)](#)) be made if proceedings on a claim for a sum of money arising from a relevant matter brought by the applicant for redress are pending before a court or tribunal.

(2) A “relevant matter” is a matter on which an application for redress under section 3 of the Measure could be based but for [paragraph \(1\)](#).

(3) Paragraph (1) does not prevent an application for redress under section 3 of the Measure if the claim in question is—

- (a) stayed pending determination of the application, or
- (b) withdrawn or discontinued.

(4) An application for redress under section 3 of the Measure may not be made if an application for redress under that section relating to the same abuse has previously been made by the applicant and—

- (a) the application was granted and the determination was notified to the applicant (including in a case where an award of redress lapsed under [rule 11\(2\)](#)), or
- (b) the application was not granted but the determination not to grant it was reversed on an appeal under section 15 of the Measure.

Application on behalf of child

6.—(1) In making an appointment of a person as an appropriate adult for a child under section 7(1) of the Measure on an application for redress under section 3 or on an appeal under section 15, the redress body is entitled to rely solely on a certificate given in writing by that person—

- (a) which states that the person—
 - (i) can fairly and competently make and proceed with the application or bring the appeal,
 - (ii) has no interests adverse to those of the child, and
 - (iii) has no interests adverse to those of the redress body, and
- (b) which is verified by a statement of truth made by the person.

(2) But an appointment under [paragraph \(1\)](#) does not take effect unless and until the appeal authority, having had the certificate under [paragraph \(1\)](#) referred to it by the redress body, is satisfied—

- (a) that the person to whom it relates meets the conditions in [paragraph \(1\)\(a\)](#), and
- (b) that the statement of truth is valid.

(3) A person appointed as an appropriate adult must, when making an application for redress under section 3 of the Measure or an appeal under section 15, certify in writing that the person meets the conditions in [paragraph \(1\)\(a\)](#); and the certificate must be verified by a statement of truth made by the appointed person.

(4) For the purposes of section 7(2)(b) of the Measure, a decision by the redress body that it is not feasible to appoint an appropriate adult may be made only if a period of at least six months has elapsed since the redress body began the process of identifying a person whom it would be feasible to appoint.

(5) A certificate under [paragraph \(3\)](#) is to be treated for the purposes of the application or appeal to which the certificate relates as conclusive evidence of the matters stated in it.

(6) A certificate under [paragraph \(1\)](#) or (3) must be in such form as the Archbishops' Council or the redress body may specify or in a substantially similar form.

Entitlement to continue application where applicant dies

7.—(1) [This rule](#) applies to a case within [section 8](#) of [the Measure](#) on an application for redress under section 3.

(2) To exercise the entitlement to proceed with the application, the person concerned must give a written notification to the redress body of the intention to proceed with the application.

- (3) The notification under [paragraph \(2\)](#) must be accompanied by—
 - (a) a certified copy of the deceased's death certificate,

- (b) evidence of the identity of the person intending to proceed with the application, and
 - (c) evidence that the relationship between that person and the deceased is of a kind that comes within [section 8\(3\)\(a\)](#) or [\(b\)](#) of [the Measure](#).
- (4) If the redress body is informed that the applicant for redress has died without the application being determined and, in the following three months, nobody expresses an intention to proceed under [paragraph \(2\)](#) with the application, the application is dismissed.
- (5) Where there is both a surviving spouse or surviving civil partner and another surviving partner, only that other surviving partner is entitled to proceed with the application.
- (6) Where two or more surviving children are entitled under [section 8\(3\)\(b\)](#) of [the Measure](#) to proceed with the application, it may be continued by two or more of those persons acting jointly.
- (7) For the purposes of [section 8\(4\)](#) of [the Measure](#), the circumstances in which the deceased's personal representatives are entitled to proceed with the application are those in which they have applied for a grant of probate or letters of administration and are progressing the application with reasonable diligence, the application having been made before the end of—
- (a) 24 months beginning with the date of the death, or
 - (b) if the redress body and personal representatives agree a longer period, that longer period.
- (8) Accordingly, no person is entitled to act under [section 8\(3\)](#) of [the Measure](#) before the end of the period applicable under [paragraph \(7\)](#).
- (9) But where a person who is a personal representative is entitled to act under [section 8\(3\)](#) of [the Measure](#), that person may proceed with the application on that basis; and [paragraph \(7\)](#) accordingly does not apply.
- (10) The redress body must make arrangements for ensuring that a person entitled to proceed with the application is provided with the documents or other information relating to the application which that person may reasonably require in order to proceed with the application.
- (11) Where a person entitled to proceed with the application lacks capacity to do so and the notification under [paragraph \(2\)](#) is given by a person who has authority to do so for that person under the [Mental Capacity Act 2005](#), the notification must be accompanied by evidence of the authority.

Withdrawal of application

- 8.—**(1) An applicant for redress under [section 3](#) of [the Measure](#) may withdraw the application by giving written notice to the redress body.
- (2) The redress body, having received a notice under [paragraph \(1\)](#), must inform any person who would, if an award of redress had been made, have been capable of being an appropriate authority.
- (3) An application for redress under [section 3](#) of [the Measure](#) may be made in relation to abuse to which an application withdrawn under [this rule](#) related.

Part 3

AWARD OF REDRESS

Request for further material

- 9.—**(1) A request under [section 10\(2\)\(b\)](#) of the Measure by the redress body for further material on an application for redress under [section 3](#)—
- (a) must be in writing (even if an oral request for that material has already been made), and

(b) must specify the period within which the redress body wishes the material to be provided to it.

(2) If the material requested is not provided to the redress body within the period specified under [paragraph \(1\)\(b\)](#), the redress body must send a written notice to the person from whom the material is requested requiring the material to be provided to the redress body within the period specified in the notice.

(3) If the material requested is not provided before the end of the period specified under [paragraph \(2\)](#), the redress body may pause the determination of the application; and, if the redress body does so, it must specify the time at which or circumstances in which the determination of the application is to be resumed.

(4) If the material requested is not provided before the end of the period specified under [paragraph \(2\)](#) and, where the determination of the application is paused under [paragraph \(3\)](#), not provided before the end of the period of the pause, and the redress body is satisfied that it cannot determine the application without that material, the application is to be treated as withdrawn under [rule 8](#).

Determination of application

10.—(1) The determination of an application for redress under section 3 of the Measure and the reasons for the determination must be notified by the redress body in writing to the applicant's lawyer or, if the applicant does not have a lawyer, to the applicant (even if notification has already been given orally).

(2) The written notification under [paragraph \(1\)](#) must include an explanation of the right of appeal under [section 16](#) of the Measure.

Determination of award of redress

11.—(1) Where, on an application for redress under section 3 of the Measure, the redress body makes an award of redress (whether in the form of a redress payment or some other remedy), it must, when giving the written notification under [rule 10\(1\)](#), invite the applicant to indicate—

- (a) whether the applicant wishes to accept, or wishes not to accept, the award,
- (b) in so far as the award consists of a redress payment and the applicant wishes to receive the payment, whether the applicant would prefer to receive the payment as a single lump sum or by instalments, and
- (c) if the applicant indicates under sub-paragraph (b) a preference for receiving the payment by instalments, the frequency with which the applicant would wish the instalments to be paid (but see [rule 14\(2\)\(b\)](#)).

(2) If the applicant does not reply to the invitation before the end of six months beginning with the date of the notification under [rule 10\(1\)](#), the award lapses.

(3) Where personal representatives proceeded with the application by virtue of [rule 7\(7\)](#), the award forms part of the deceased's residuary estate.

(4) In deciding the form or content of the remedy, the redress body must have due regard to guidance prepared by the Archbishops' Council on the provision of remedies other than redress payments (see section 22(3) of the Measure).

Determination of award of redress: aggravating factors

12.—(1) [This rule](#) sets out factors which are to be regarded as aggravating for the purposes of [section 12](#) of the Measure on an application for redress under section 3.

(2) In a case where the person who suffered abuse reported to one or more Church officers that the abuse had been committed, each of the following is to be regarded as an aggravating factor—

- (a) one or more Church officers disbelieved the report of the abuse;
- (b) one or more Church officers did not co-operate with ensuing investigations;
- (c) one or more Church officers made threats to the person who suffered the abuse in order to discourage that person from disclosing the abuse to others;
- (d) one or more Church officers who knew that the person who committed the abuse had the propensity to commit abuse did not do anything to prevent the person from committing abuse.

(3) In a case where more than one person committed abuse, that fact is to be regarded as an aggravating factor.

(4) In a case where the person who suffered abuse was aged under 18 when abuse to which the application relates was carried out, that fact is to be regarded as an aggravating factor.

(5) “Church officer” has the meaning given in [section 5 of the Measure](#).

Determination of amount of redress payment

13.—(1) To determine the amount of a redress payment on an application under section 3 of the Measure, the redress body must take the steps set out in [the Schedule](#) (so far as they are applicable).

(2) In [the Schedule](#), “the assessment framework” means the document referred to in [section 29\(7\) of the Measure](#).

(3) In a case where the applicant is not the person who suffered the abuse to which the application relates, the references in [the Schedule](#) to the applicant are to be read as references to the person who suffered the abuse.

Making redress payment

14.—(1) [This rule](#) applies where the redress body awards a redress payment on an application under [section 3 of the Measure](#).

(2) The payment may be made—

- (a) as a single lump sum, or
- (b) by no more than three equal instalments over the period of twelve months beginning with the day on which the amount of the redress payment is determined.

(3) The payment may not be made after the end of the period provided for under [section 9\(2\) of the Measure](#).

(4) But if it is not possible for the payment to be made in full before the end of that period, it must (in so far as not made before the end of that period) be made as soon as is reasonably practicable after the end of that period.

(5) The redress body must, subject to [paragraphs \(6\) to \(9\)](#), arrange for the payment to be made to the bank account details of which have been provided by the applicant or the applicant’s lawyer.

(6) [Paragraph \(7\)](#) applies where—

- (a) the redress body determines under [section 12\(1\) of the Measure](#) that a redress payment is to be made to the applicant, and
- (b) the applicant notifies the redress body that the applicant wishes the payment to be held on trust for a specified person on the terms specified (and the person whom the applicant specifies may be the applicant himself or herself).

(7) The redress payment may not be made unless and until arrangements are in place for the payment to be held on trust for the person and on the terms specified in the notification under [paragraph \(6\)\(b\)](#).

(8) But where the application for redress has been continued under [section 8\(3\) of the Measure](#) (continuation by surviving partner or surviving child), the redress payment is to be held by the applicant on trust to the order of the deceased's personal representatives, unless the appeal authority certifies in accordance with [paragraphs \(9\) to \(11\)](#) that that would be contrary to the interests of justice.

(9) The redress body must refer each application that has been continued under [section 8\(3\) of the Measure](#) to the appeal authority for it—

- (a) to determine whether it would be in, or would be contrary to, the interests of justice for the redress payment to be held as mentioned in [paragraph \(8\)](#), and
- (b) to certify its determination in writing.

(10) If the appeal authority certifies that it would be in the interests of justice for the redress payment to be held as mentioned in [paragraph \(8\)](#), the redress payment may be made only when the personal representatives request the redress body to make it; and the redress body must not grant a request unless the personal representatives provide a sealed copy of the grant of probate or the grant of letters of administration.

(11) If the appeal authority certifies that it would be contrary to the interests of justice for the redress payment to be held as mentioned in [paragraph \(8\)](#), the redress payment is to be made to the applicant in accordance with [paragraphs \(2\) to \(7\)](#).

(12) In the case of an application continued by virtue of [section 8\(2\) of the Measure](#), the reference in [paragraph \(8\)](#) to the deceased is a reference to the person who brought the application for redress under section 3 (and not to the person who continued that application by virtue of section 8(1)).

Recovering redress payment made in error etc.

15.—(1) If the redress body discovers that a redress payment has been made in error, it must inform the recipient of the payment that it requires the amount specified by the redress body to be repaid within the period specified by it.

(2) If the redress body discovers that a redress payment has been made to a person who the redress body is satisfied knowingly provided false information in making the application for redress, the redress body must inform the recipient of the payment that it requires the amount specified by the redress body to be paid within the period specified by it.

(3) In a case within [paragraph \(1\) or \(2\)](#), the redress body may permit the recipient to make the repayment by instalments.

(4) The amount of a payment required under [paragraph \(1\) or \(2\)](#) is recoverable by the redress body as a debt due to it.

Remedy other than redress payment

16.—(1) [This rule](#) applies where the redress body on an application under [section 3 of the Measure](#) awards a remedy other than a redress payment (whether or not the award consists also of a redress payment).

(2) The remedy may be provided on a one-off basis, on more than one occasion or in stages.

(3) The remedy may not be provided after the end of the period provided for under [section 9\(2\) of the Measure](#).

(4) But if it is not possible for the remedy to be provided in full before the end of that period, it must (in so far as not provided before the end of that period) be provided as soon as is reasonably practicable after the end of that period.

Part 4

APPEALS

Application for permission to appeal

17.—(1) An application under section 16 of the Measure for permission to bring an appeal under section 15—

- (a) must be made in writing,
 - (b) must specify the grounds of appeal,
 - (c) must be verified by a statement of truth made by the applicant, and
 - (d) must be submitted—
 - (i) by means of the online facility provided by the appeal authority, or
 - (ii) if that facility is not available or the applicant is unable to use it, by such means as the appeal authority may permit.
- (2) The application for permission must be made—
- (a) before the end of six months beginning with the day on which the written notification under [rule 10\(1\)](#) is received by the appellant’s lawyer or the appellant (as the case may be), or
 - (b) if the appeal authority is satisfied that there are exceptional circumstances which justify making the application after the end of that six-month period, as soon as is reasonably practicable after the end of that period.
- (3) Where permission to appeal is granted, the appeal itself stands referred to the appeal authority.
- (4) When granting an application for permission to appeal, the appeal authority—
- (a) may decide that only certain issues are to be subject to appeal, and
 - (b) may impose other restrictions or conditions on the appeal.

(5) Where the application for permission to appeal is made for a person who lacks capacity to make it by a person who has authority to do so under the [Mental Capacity Act 2005](#), the application must be accompanied by evidence of the authority.

Appointment of persons to assist appeal authority with deciding appeal

18.—(1) In deciding whether to make an appointment under section 17(3) of the Measure, or whom to appoint, the appeal authority must consider what would be in the interests of justice in all the circumstances of the appeal.

(2) To facilitate decisions under [paragraph \(1\)](#), the Archbishops’ Council may compile a list of persons willing to assist on appeals under the Measure, each of whom has a relevant expertise; and for that purpose, “relevant expertise” includes expertise in—

- (a) medicine or other matters relating to health care;
- (b) psychology;
- (c) law;
- (d) social work;

(e) social and public policy.

(3) An expertise is capable of being relevant whether it is based on practical experience or on academic study.

Withdrawal of appeal

19.—(1) An appellant may withdraw the appeal by giving written notice to the appeal authority.

(2) The appeal authority, having received a notice under [paragraph \(1\)](#), must inform any person who could, if an award of redress had been made, have been an appropriate authority.

Hearing of appeal

20.—(1) The appeal authority may not receive oral evidence or evidence which was not before the redress body, unless the appeal authority orders otherwise.

(2) The appeal authority must allow an appeal where the decision of the redress body was wrong or was unjust because of a serious irregularity in the determination of the application.

(3) The appeal authority may draw inferences of fact which it considers justified on the evidence.

(4) The appeal authority may, subject to the provisions of the Measure and these Rules, regulate its own procedure.

Part 5

RECONSIDERATION IN LIGHT OF NEW INFORMATION

Determination on reconsideration

21.—(1) In a case where section 18 of the Measure applies on an application for redress under section 3, the applicant or other person may give the information in question to the redress body for it to reconsider the application for redress.

(2) In making its determination on the reconsideration, the redress body may follow such procedure as it thinks appropriate.

(3) The determination on the reconsideration and the reasons for the determination must be notified by the redress body in writing to the applicant (even if notification has already been given to the applicant orally).

Appeal against determination on reconsideration

22.—(1) In a case where section 18 of the Measure applies on an application for redress under section 3, the applicant may appeal against the determination by the redress body on its reconsideration of the application.

(2) The appeal is to be limited to a review of the determination of the reconsideration.

(3) The appeal is to be determined by a person eligible for appointment under [section 16\(1\) of the Measure](#); and [section 16\(2\)](#) and [\(3\) of the Measure](#) applies accordingly.

(4) [Section 17\(3\) to \(7\) of the Measure](#) applies to the appeal as it applies to an appeal against the determination of an application for redress.

(5) The appeal must be made before the end of one month beginning with the date of the notification under [rule 21\(3\)](#).

(6) [Part 4](#) of these Rules applies to the appeal as it applies to an appeal against the determination of an application for redress.

Part 6

(2) It is for the appropriate authority, having received the request, to decide—

- (a) whether to make a contribution,
- (b) if it decides to do so, the amount of the contribution,
- (c) whether to make the contribution by a single payment or by instalments, and
- (d) if it decides to pay by instalments, the amount and frequency of each instalment.

(3) For the purposes of section 21(6) of the Measure, the person specified is the Dean and Chapter of the Cathedral Church of Christ in Oxford of the Foundation of King Henry VIII.

Part 7

MISCELLANEOUS

Information sharing: objections to disclosure

25.—(1) A person ("the objector") may object under section 26(3) of the Measure to providing items of evidence specified in a notice under section 26(2) on any grounds on which the person would be entitled to do so under the data protection legislation or in proceedings in the High Court.

(2) The objection must indicate, by reference to each item specified in the notice, whether the objector objects to providing it or is willing to do so.

- (3) The objection must, in the case of each item which the objector objects to providing, specify the grounds on which the objection is made, including the legal basis of the objection.
- (4) The objection must, in the case of each item which the objector is willing to provide, specify the date by which the objector expects to do so.
- (5) The objection—
 - (a) may be made in writing, or
 - (b) if the redress body arranges to provide a telephone facility for making the objection, may be made orally by using that facility.
- (6) The objection must be made before the end of 14 days beginning with the day after the objector receives the notice.
- (7) The redress body, having determined the objection, must notify the objector of its decision—
 - (a) in the case of each item which the objector objects to providing, on whether to accept the objection and, if the redress body decides not to accept it, the date by which it requires the item to be provided, and
 - (b) in the case of each item which the objector is willing to provide, on whether to accept the date which the objector specified for the purpose of [paragraph \(4\)](#) and, if the redress body decides not to accept it, the date by which it requires the item to be provided.
- (8) The notification under [paragraph \(7\)](#) must specify the reasons for each decision by the redress body.
- (9) The redress body may regulate its own procedure in determining an objection under section 26(3) of the Measure.
- (10) In discharging the duty under section 26(1) of the Measure or in responding to a notice under section 26(2), the appropriate authority must have due regard to any guidance on the matter which the Archbishops' Council may prepare and from time to time revise.

Information sharing: onward disclosure

26. A disclosure of information provided to the redress body in response to a notice under section 26(2) of the Measure may be made by the redress body in accordance with such protocol on data-sharing as the Archbishops' Council may issue.

Pause of application: applicant

- 27.—**(1) The redress body, having received an application for redress under section 3 of the Measure, must, on receiving written notice from the applicant, pause the determination of the application.
- (2) If the applicant has not lifted the pause before the end of six months beginning with the day on which the pause began, the application is treated as withdrawn under [rule 8](#).
- (3) If the applicant has not lifted the pause before the end of five months beginning with the day on which the pause began, the redress body must notify the applicant in writing that, if the pause is not lifted before the end of the six-month period referred to in [paragraph \(2\)](#), the application will be treated as withdrawn as mentioned in [that paragraph](#).

Pause of application: redress body

28. Where, before its determination of an application for redress under section 3 of the Measure, the redress body becomes aware that there is a current issue relating to the safeguarding of the applicant, it may pause the determination of the application for such period as it decides.

Lawyers' costs

29.—(1) Where a determination is made under [section 12 of the Measure](#) that an award of redress is to be made on an application under section 3 and a lawyer has been acting on the application, the Archbishops' Council must make a payment of £5,000 plus Value Added Tax to the lawyer (but see [paragraph \(4\)](#)), unless the Council is satisfied that there are exceptional circumstances in the case of that application which justify not making the payment.

(2) If the award consists of a redress payment, a lawyer acting for the applicant must certify in writing whether or not the lawyer and the applicant have agreed that the lawyer may deduct some or all of the lawyer's fees from a redress payment awarded to the applicant; and for that purpose, "fees" does not include disbursements or expenses.

(3) A certificate under [paragraph \(2\)](#) is to be treated for the purposes of [this rule](#) as conclusive evidence of the matters stated in it; and, accordingly, if the certificate states that there is an agreement between the lawyer and the applicant of the kind referred to in [paragraph \(2\)](#), the Council may not make a payment under [paragraph \(1\)](#).

(4) In so far as the award consists of a redress payment and [paragraph \(3\)](#) does not apply, the Council may not make a payment under [paragraph \(1\)](#) until the redress payment or, where [rule 14\(2\)\(b\)](#) applies, the first instalment has been paid to the applicant.

(5) Where different lawyers have acted on the application at different times, the Archbishops' Council must make payments under [paragraph \(1\)](#) (totalling the amount specified in that paragraph) of such amounts as the lawyers agree between themselves.

(6) Where an appeal under [section 15 of the Measure](#) reverses or varies a determination under section 10 on an application under section 3 and a lawyer has been acting on the appeal (regardless of whether that lawyer, another lawyer or no lawyer acted on the application), [paragraphs \(1\) to \(5\) of this rule](#) apply to the appeal as they would apply if—

- (a) the determination as reversed or varied had been made on the application, and
- (b) the lawyer acting on the appeal had been acting on the application.

(7) In [paragraph \(5\)](#) as it is applied by [paragraph \(6\)](#), a reference to lawyers includes a reference to lawyers acting on the application.

(8) The redress body may carry out the functions of the Archbishops' Council under [this rule](#) on behalf of the Council.

Extension of time periods

30.—(1) On an application for redress under section 3 of the Measure, the redress body may, if it considers it necessary to do so, extend the duration of a period provided for by these Rules in relation to the application.

(2) On an appeal under section 15 of the Measure, the appeal authority may, if it considers it necessary to do so, extend the duration of a period provided for by these Rules in relation to the appeal.

Procedural irregularities

31.—(1) An application for redress under section 3 of the Measure or an appeal under section 15 is not invalidated by any irregularity resulting from a failure to comply with a provision of these Rules before the determination of the application or appeal.

(2) But if the redress body (on an application for redress) or the appeal authority (on an appeal) considers that a person may have been prejudiced by the irregularity, it may take such steps as it considers necessary for dealing with the irregularity before determining the application or appeal.

Guidance on delegated functions

32.—(1) Where the Archbishops' Council makes a delegation under section 2(2) or (3) of the Measure, it must provide the delegate with written guidance on the exercise of the delegated functions.

(2) In the exercise of the delegated functions, the delegate must have due regard to the guidance.

Schedule

Rule 13

AMOUNT OF REDRESS PAYMENT

Step 1

1.—(1) Step 1 is—

- (a) to rank the severity of the abuse suffered by the applicant for redress, and
- (b) using the following table, to identify the sum in the second column that corresponds to the ranking specified in the first column for the severity of the abuse—

<i>Severity of abuse</i>	<i>Step 1 sum</i>
1	£5,000
2	£10,000
3	£25,000
4	£35,000
5	£50,000
6	£150,000

(2) In making the ranking under [sub-paragraph \(1\)\(a\)](#), the redress body must apply the criteria specified in the assessment framework.

(3) In taking Step 1, the redress body must consider whether, or to what extent, the applicant suffered psychiatric injury in consequence of the abuse.

(4) “Psychiatric injury” means a mental disorder which meets the threshold for diagnosis in accordance with—

- (a) the publication for the time being in force commonly known as “the International Classification of Diseases”, or
- (b) the publication for the time being in force commonly known as “the Diagnostic Standard Manual of Mental Disorders”.

(5) The sum identified under [sub-paragraph \(1\)\(b\)](#) is referred to as “the Step 1 sum”.

Step 2

2.—(1) Step 2 is—

- (a) to rank the severity of the aggravating factors (if any) in the case, with “1” to apply where the case has no aggravating factors, and
- (b) using the following table, to multiply the Step 1 sum by the number specified in the second column that corresponds to the ranking specified in the first column for the severity of the aggravating factors—

<i>Severity of aggravating factors</i>	<i>Multiply by</i>
1	1
2	1.25
3	1.5
4	2

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(2) In making the ranking under [sub-paragraph \(1\)\(a\)](#), the redress body must apply the criteria specified in the assessment framework.

(3) The sum resulting under [sub-paragraph \(1\)\(b\)](#) is referred to as “the Step 2 sum”.

Step 3

3.—(1) Step 3 is—

- (a) to rank the severity of the impact of the abuse on the applicant, and
- (b) using the following table, to add to the Step 2 sum the amount specified in the second column that corresponds to the ranking specified in the first column for the severity of the impact of the abuse as mentioned in [paragraph \(a\)](#)—

<i>Severity of impact</i>	<i>Amount to add</i>
1	£10,000
2	£20,000
3	£50,000
4	£70,000
5	£100,000
6	£250,000

(2) In making the ranking under [sub-paragraph \(1\)\(a\)](#), the redress body must apply the criteria specified in the assessment framework.

(3) The sum resulting under [sub-paragraph \(1\)\(b\)](#) is referred to as “the Step 3 sum” and is the amount of the redress payment, subject to—

- (a) any payment determined under Step 4, and
- (b) if applicable, any adjustment under Step 5.

Step 4

4.—(1) Step 4 is—

- (a) to decide whether there are exceptional circumstances which justify increasing the Step 3 sum, and
- (b) if the decision under [paragraph \(a\)](#) is that there are circumstances of that description, to increase the Step 3 sum by 20%.

(2) In making the decision under [paragraph \(1\)\(a\)](#), the redress body must apply the criteria specified in the assessment framework.

(3) The sum resulting under [sub-paragraph \(1\)\(b\)](#) is referred to as “the Step 4 sum” and is the amount of the redress payment, subject to any adjustment under Step 5 (if applicable).

Step 5

5.—(1) Step 5 (as to which, see [sub-paragraph \(3\)](#)) arises only if compensation for having suffered abuse to which the redress payment relates has previously been paid to the person who suffered the abuse.

(2) The reference in [sub-paragraph \(1\)](#) to compensation paid for having suffered abuse is a reference to an amount in recognition of abuse suffered that is paid—

- (a) in proceedings on a claim,

- (b) in settlement of a claim (whether or not proceedings on the claim were brought before a court or tribunal), or
 - (c) under a statutory or non-statutory scheme or some other arrangement.
- (3) Step 5 is to deduct the amount of compensation from the amount of the redress payment except in so far as that would give a number less than zero.
- (4) Accordingly, if the amount of the compensation exceeds the amount of the redress payment, the amount of the redress payment is zero.
- (5) In a case within [sub-paragraph \(2\)\(c\)](#), the references in sub-paragraphs (3) and (4) to the amount of compensation do not include—
- (a) an amount paid under the scheme commonly known as “the Interim Support Scheme” established by the Archbishops’ Council for the purpose of giving immediate help and support to certain persons who have suffered abuse,
 - (b) an amount paid under a scheme established by the Archbishops’ Council to replace the Interim Support Scheme, or
 - (c) an amount paid for the provision of psychotherapy or counselling.
